linkedin.com/in/vishnu-reddy0007
github.com/vishnureddy2007 Vijayawada, Andhra Pradesh

Education

B.Tech – Information Technology
Lakireddy Bali Reddy College of Engineering
Expected Graduation: 2027

CGPA 8.84 / 10.00

Intermediate (MPC)
Sri Chaitanya Junior College
2021 – 2023

Projects

CrimeVision – AI Crime Investigation System ONGOING

AI-powered platform for law enforcement with facial recognition, suspect profiling, crime pattern analysis, and automated reporting.

- Secure role-based system with digital evidence management, analytics dashboards, and RESTful APIs.

LBRCE Canteen Management System

Full-stack system with authentication, RBAC, RESTful APIs for orders, billing, and inventory tracking.

- Responsive React.js UI with analytics dashboards and CRUD-based administration.

Online Payment Fraud Detection System

ML model for fraud detection on imbalanced financial data – 99.9% accuracy, 94.2% precision, 91.5% recall, F1-score 0.92.

Internships

Machine Learning Intern – Plasmid Networks

2026 · 2 Months

Built an Online Payment Fraud Detection System; handled preprocessing, feature engineering, and model evaluation on financial data.

IoT Intern – Shikara Solutions

2025 · 8 Weeks

Contributed to a Smart Home Automation system; integrated IoT sensors and built an automated alarm/security notification module.

Career Objective

Motivated B.Tech Information Technology student (CGPA 8.84/10) specializing in Java Full Stack Development, Artificial Intelligence, and Machine Learning. Skilled at designing scalable, AI-driven applications with strong analytical and problem-solving ability. Seeking a Software Engineer role to build impactful, real-world software solutions.

Skills

Java **Python** **SQL** **React.js**
Spring Boot **REST APIs** **MySQL**
Machine Learning **OpenCV** **AWS**
Docker **Kubernetes** **Git/GitHub**

Certifications

Oracle Generative AI Professional
Oracle Data Science Professional
AWS Certified Cloud Practitioner
LSWR Certification

Key Achievements

- Participated in HackIT 2024 Hackathon at Lakireddy Bali Reddy College of Engineering
- Attended Java Full Stack Development Workshop
- Completed Machine Learning Internship (Plasmid Networks) and IoT Internship (Shikara Solutions)
- Built multiple AI, ML, and Full Stack projects demonstrating practical engineering skills
